

FACE MASK COLLECTION 2020

Dear Customer

We at Zebra Pacific Co. Ltd based in LAO PDR are manufacturer of textile toys, playsuits, and fancy dresses. We are delighted to inform you that we have started producing mouth masks due to the growing demands to fight the transmission of COVID-19.

We have 3 mask variants and designs can be customized to bring joy during these uncertain times!

Zebra Pacific Co. Ltd's 3 types of masks:

1. Duck face

- In duck face's shape to provide easiness and comfort.
- Provided with elastics on both sides to completely cover the nose, mouth and chin for better protection.
- Inside lining is provided with an opening for the filter.
- Perfect for printing logo on the side

2. Comfort plus

- With a sophisticated 3 pleat design to allow it to open from your nose to your chin.
- Each pleat is made with top stitch so you do not need to iron after every wash since it nicely stays in shape.
- Provided with elastics on both sides to completely cover the nose, mouth and chin for better protection.
- Inside lining is provided with an opening for the filter.

3. Easy Comfort

- It is a double faced economical version.
- Perfect for customized masks as it is easy to print nice and fun texts, logos, etc of your choice.
- Provided with elastics on both sides to completely cover the nose, mouth and chin for better protection.
- Inside lining is provided with an opening located on the side for the filter.

About all our face masks:

- Face coverage provided according to ISO/TS 16976-2:2015 norms.
- Produced according international textile regulations following ISO 4915:1991.
- Mouth masks are made with High quality and tested fabrics, packed separately in a sterile polybag.
- Material outside: 100% polyester.
- Material inside: 100% polyester.
- 15 times reusable.
- Wash at 60°C temperature.
- Mouth masks are only made for personal and private use. Under no circumstance should it come in contact with COVID-19 infected patients.
- This mouth mask is not a certified medical equipment product and should not be used like so.
- The mouth mask should correctly be used to provide full coverage of the nose, mouth and chin area.
- Properly wash hands and face with soap and water before and after usage of the mask.
- In case the mouth mask gets humid, remove the mask only by touching the elastics and change it with a new mask.
- Unless specified, masks are not allowed for kids under 12 years old.
